¹ The SBC minutes correct an incorrect categorization of funding sources in the All Agency program. Environmental Segregated borrowing has been decreased by \$10,169,300 to \$0. Program Revenue-Cash has been increased by \$10,169,300 from \$31,060,700 to \$42,760,700 reflect this correction. This change does not impact the All Agency total amounts. This adjustment has been made in both the Amount Requested and Governor's Recommendation amounts.

Incurage Public Purpose Statement:

1. The legislature finds and determines that supporting entrepreneurs and innovators, providing facilities for job training, and promoting dynamic community revitalization and development are of vital importance in creating jobs and contributing to economic development and tourism in this state and are statewide responsibilities of statewide dimension. It is therefore in the public interest, and it is the public policy of this state, to assist the Incurage Community Foundation, Inc., in redeveloping the former Daily Tribune building in the city of Wisconsin Rapids into an economic and community hub.
2. The building commission may under this subsection assist the Incurage Community Foundation, Inc., in redeveloping the former Daily Tribune building in the city of Wisconsin Rapids into an economic and community hub. The state funding commitment shall be in the form of a grant to the Incurage Community Foundation, Inc. Before approving any state funding commitment for redeveloping the former Daily Tribune building, the building commission shall determine that the Incurage Community Foundation, Inc., has secured additional funding for the project from nonstate revenue sources at least equal to the state's grant.
3. If the building commission authorizes a grant to the Incurage Community Foundation, Inc., under subd. 2., and if, for any reason, the facility that is redeveloped with funds from the grant is not used for an economic and community hub, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

There being no further business to come before the Commission, the meeting was adjourned at 4:28 p.m. on Wednesday, March 17, 2021. These minutes are subject to ratification at the next Sate Building Commission meeting.
