## **Governor Walker, Cabinet Members Travel Western Wisconsin for Cabinet on the Road Tour**

**MADISON** – Governor Scott Walker and members of his Cabinet met with citizens in ten Western Wisconsin counties on Monday and Tuesday during their Cabinet on the Road tour. While in the area, the Department of Administration (DOA) participated in 11 events across the region.

“Cabinet on the Road provides a great opportunity to hear directly from the citizens we serve,” Secretary Neitzel said. “Our meetings with community members and business leaders create excellent discussions about ways we can continue to work together to make government more efficient and accountable to Wisconsin taxpayers.”

As a part of Cabinet on the Road, DOA officials visited with local chamber members, business organizations, and tribal leaders in the communities of Danbury, Ellsworth, Hudson, New Auburn, Pepin, Rice Lake, and Whitehall. Informational meetings were held in Alma, Fall Creek, and Menomonie to provide local government officials with a greater understanding of state services.
