Year End Payroll Off Cycles

Central Payroll had two rounds of off-cycle payrolls to process year end corrections for W-2 and benefit balances. The first round of the off-cycle payroll corresponds to the usual off cycle schedule to pay employees with a paper check from PP26, with a payment date of December 31st.

Central Payroll issued an email with the schedule for these off-cycle payrolls, which are listed below.

- PP 27.1 off-cycle was dated 12/31 and payroll confirmed on 12/30. The GL for this off-cycle was posted on 12/31.
- PP 27.2 off-cycle was also dated 12/31 and payroll confirmed on 1/10. The GL for this off-cycle will be posted to **December** today (1/11/22) using an accounting date of 12/31/21. This will require the December GL to be temporarily re-opened.

If you have any questions regarding these Year-End Off-Cycles, please contact Karolyn Cassidy at karolyn.cassidy@wisconsin.gov.
