BULLETIN 07-30-2018

Fiscal Year 2018 Form 78's

The State Controller's Office has updated the Form 78 User Guide to reflect the changes communicated previously in the year-end kick-off meeting. This is available on the FY 2018 Year-End Closing page.

We have also posted a spreadsheet with the number of appropriations that have been verified. We will keep updating this spreadsheet daily. This is also available on the FY 2018 Year-End Closing page.
